Branch Policies

Note: If any required policy is enabled, this branch cannot be deleted and changes must be made through a pull request.

☒ On **Require a minimum number of reviewers**
Require approval from a specified number of reviewers on pull requests.

Minimum number of reviewers

1

☐ Allow requestors to approve their own changes

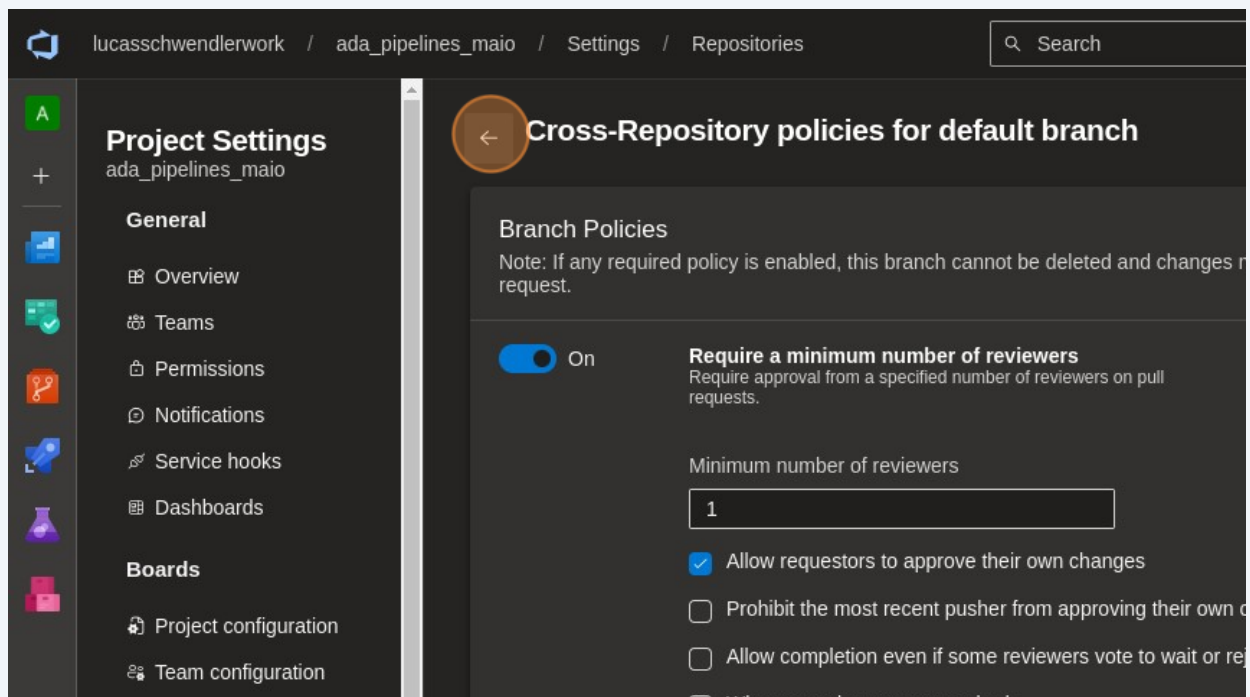

☐ Prohibit the most recent pusher from approving their own changes

☐ Allow completion even if some reviewers vote to wait or reject

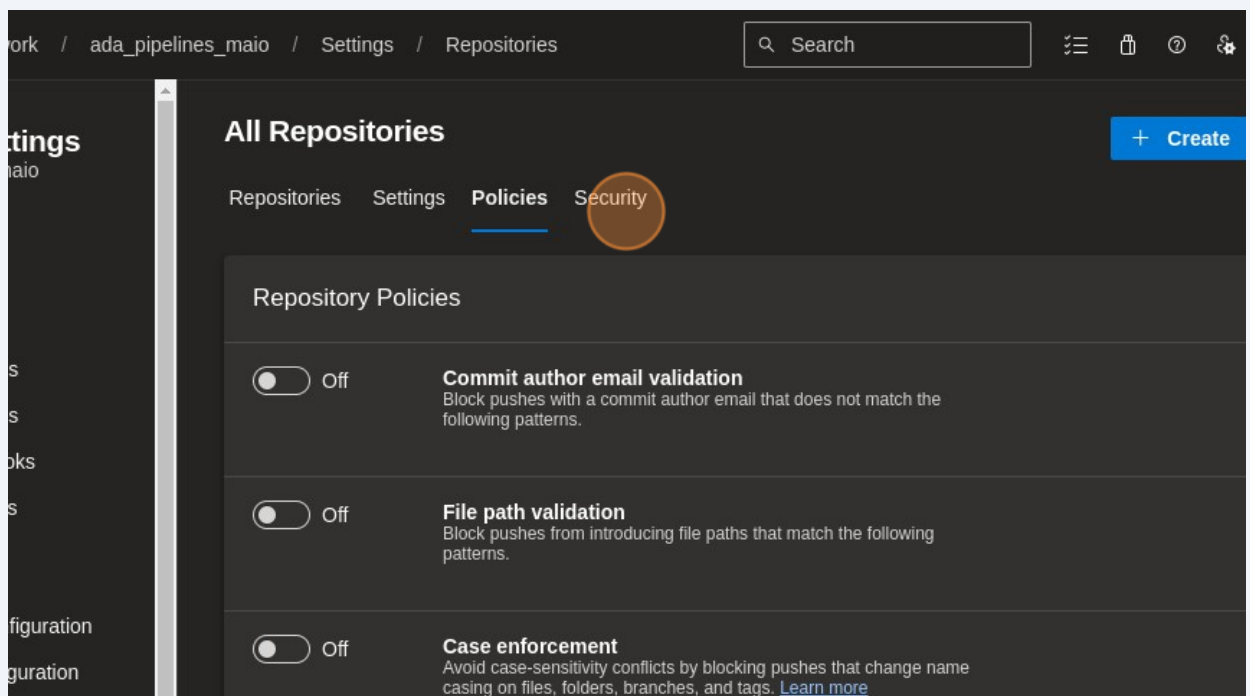

☐ When new changes are pushed:

☐ Off **Check for linked work items**
Encourage traceability by checking for linked work items on pull requests.

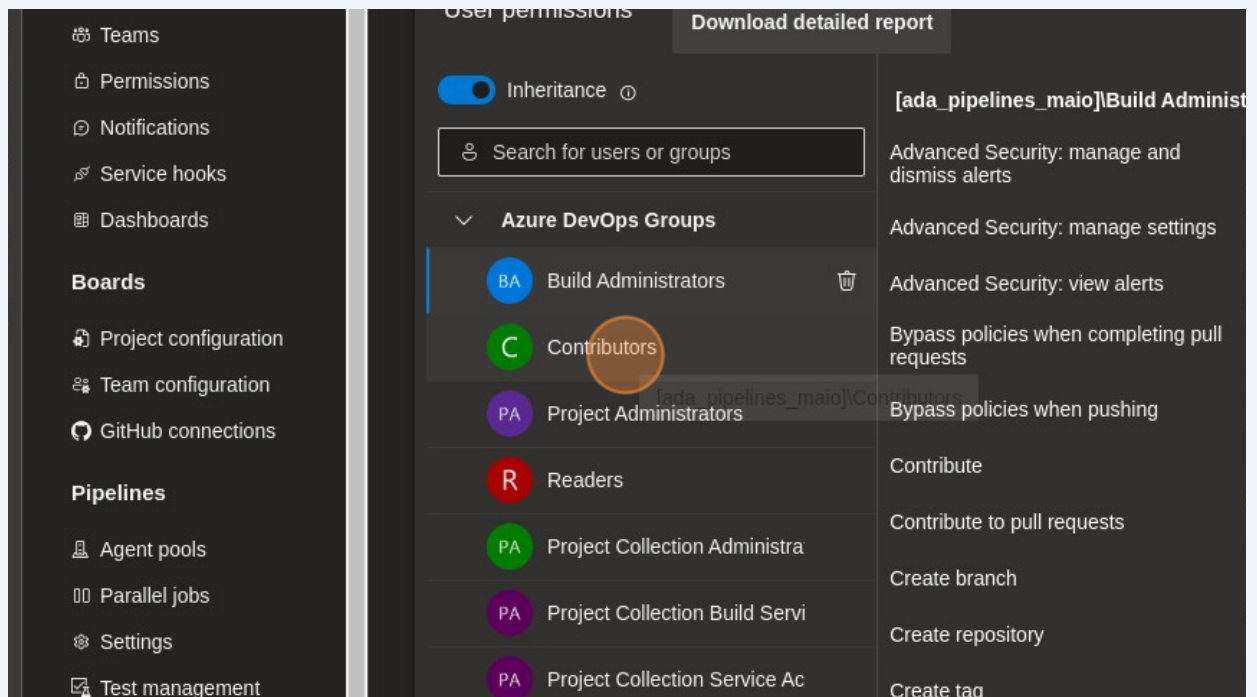

11 Click here.

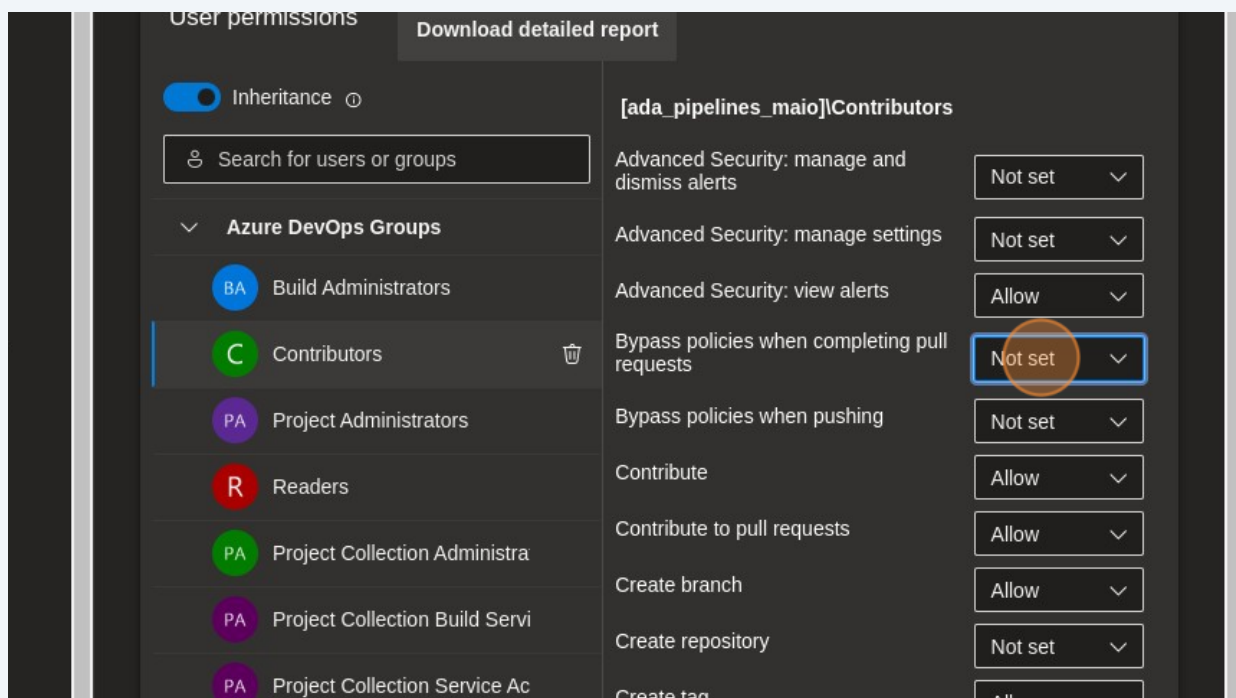

12 Click "Security"

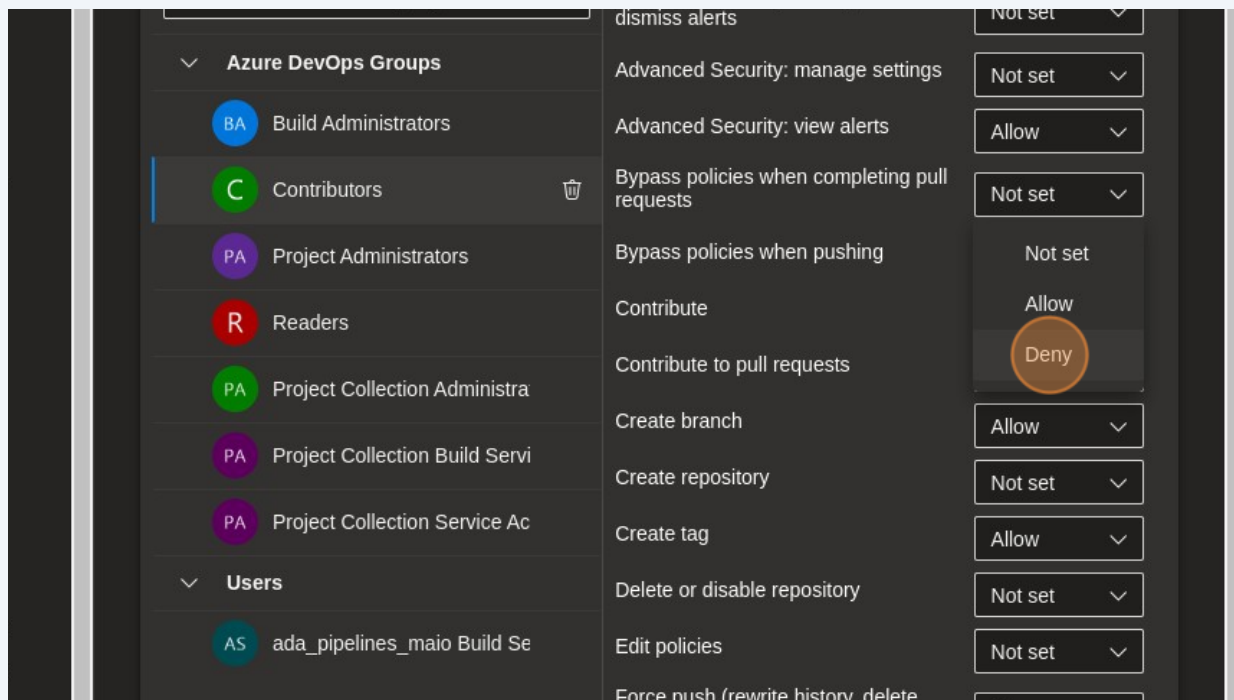

13 Click "Contributors"
